NEIGHBORHOOD NEWS.

Items of Interest Contributed by Our Country Correspondents.

GERMANTOWN, October 19th.—As formerly announced, the marriage of Mr. D. Welburn Rees and Miss Mary Poage was solemnized at noon in the Christian Church Wednesday. The church was beautifully decorated and with the lights delicately shaded made the altar the appearance of a heavenly bower. At the appointed time the bridal party arrived and to the sweet strains of the wedding march played by Mr. Miles Wilson (of Augusta), they proceeded to the altar, led by two ushers on either side—Miss Maud Reynolds and Miss Laura Lloyd, followed by the bride on the arm of her cousin, Mr. Dan Lloyd, and Mrs. Gussie Lloyd and Miss Lillie Poage. Then came the groom with his best man, Mr. Elijah Kirk. It was a picture faultless in appearance. The bride was beautiful in white organdie with silk trimmings, the veil enhancing her beauty. The ushers were gracefully gowned in white organdies, and carried exquisite bouquets of dahlias. The ceremony was very impressively pronounced by Elder Wm. Hall. After the marriage they repaired to the home of her uncle, Mr. Evan Lloyd, where a sumptuous dinner was served to the most intimate friends and near relatives. The bridal party left on the 4 o'clock train for an eastern trip, followed by the best wishes of a host of friends.

Cincinnati Tobacco Market.

The Cincinnati Tobacco Warehouse Company in its circular for the week has the following:

"As a whole the tobacco market was conceded to be a shade stronger than last week. The betterment in the market was not so noticeable in prices bid as it was in the activity of the bidding and the uniform strength in the demand from the opening to the close of the week.

"Good bright cutters and natural leaf fillers were in active request and appreciably higher, of which quite a number of hogheads in this class sold at from \$15 to \$17. The better grades of navy fillers sold better, and when strictly good or of high grade sold fully 1 cent higher. Good medium red fillers and tip leaf, that was clear, showing no dark or green in the samples, was firm and in active request, and, as a rule, sold a bid or two higher than the same sort brought the week before. The common nondescript grades sold well, but are not notably higher. The same may also be said for the medium grades of trashes and lugs. These sorts were not neglected, but by comparison the demand for filler types was stronger.

"Five hds. of the new crop were sold here this week. One grown in Bourbon County (Ky.) consisting of three hds, sold at \$1.20, \$6.10 and \$3.20, averaging \$6.20. It was claimed for this crop that it was one of the best, if not the best, grown in that county this year. The other crop referred to was grown in Greenup County, Kentucky. It was a small one, consisting of two hds, and sold at \$3.40 and \$4.50.

DEATH IN ITS WAKE.

A Tornado Sweeps Over a Section of a County in Texas.

Atlanta, Tex., Oct. 22. — A tornado struck about half a mile west of Lodi and 15 miles west of here. The path of the tornado was 200 yards wide and the wind swept everything before it. One house in the center of its path occupied by colored people was destroyed, six people being killed outright, and three others are missing, who are supposed to be dead. The cyclone traveled from the southwest to the northwest, crossing the Texas and Pacific railroad at Campbellsville spur, a lumber loading station two miles north of Lodi. The lumber was carried away in all directions. It is feared further loss of life has resulted out in the country.

Agreement Approved.

Berlin, Oct. 22.—With the exception of a few anti-British journals, the entire German press approves the Anglo-German agreement. Its effect upon Russia excites keen curiosity, it being no secret that the relations between Germany and Russia have lately become cooler.
